

Matriculation Guide

Matriculation is the reception and enrollment of cadets for the academic term. It is critical that matriculations be handled efficiently and effectively for all parties involved. This guide is intended to facilitate a smooth and efficient matriculation process for everyone involved.

Hargrave's current COVID posture is mask optional based on CDC guidelines and recommendations. COVID guidelines (including mask requirements, testing, etc.) are subject to change per CDC guidance, Virginia Department of Health guidelines, and local conditions. In the event testing is necessary as determined by CDC guidance, Virginia Department of Health guidelines, or the academy's nursing staff; testing costs (\$25) will be billed to the student's account.

Mid-semester matriculations will take place according to the schedule communicated to the family by the admissions office.

Families should arrive at the start time for their matriculation and bring their cadet and his personal bags and items to the Military Lounge in Camden Hall.

Dear Parents/Guardians:

Thank you for choosing to enroll your child at Hargrave Military Academy. The goal of the Infirmary is to provide your son access to excellent medical care. To ensure that this is a smooth transition for you and your son, you will find important information below, regarding policies and procedures in the Infirmary. Please take the time to review these items. If you have any questions, please feel free to contact any of the nursing staff.

- A current physical exam must be complete prior to attending Hargrave. All exams are good for one year from the original exam date. Your child will **not** be permitted to participate in any sports or physical activities until this is complete.
- The students **may not have any medication** in their rooms at any time for any reason. This includes any over-the-counter vitamins, cough drops, or cold medicines. They must come to the Infirmary for medication to be administered. If any of these are found in a cadet's room, this is considered a punishable offense.
- If you drop off a cadet with medications, you must accompany them to the Infirmary to have them checked in as they, again, are not allowed to have **any medication** in their rooms.
- If you need to mail medication, make sure that it is mailed directly to the Infirmary, not to the cadet.
- One of the goals of Hargrave is to instill responsibility into all our cadets. For this reason, it is your son's responsibility to remember to come and take his medication. We understand that our cadets lead busy lives, so we will remind them if they have forgotten; however, if we have to continually page them to the Infirmary, they will be counseled and then disciplined.
- If your child is on a prescription for a controlled substance, you can either get the physician to postdate the prescription for 3 months at a time, or you will have to get a new prescription every 30 days.
- It is the parent's responsibility to ensure that an adequate supply of prescription medications remain available for administration to the cadet. ***If a refill is not available for certain medications, the cadet will be sent home until a new prescription is filled.***
- **All students are required to have health insurance.** Proof of insurance should be uploaded into SchoolDoc or provided at matriculation. Students may not remain on campus without health insurance coverage.
- **Please** always email infirmary@hargrave.edu to reach the nursing staff. This applies even if a nurse emails you. If you email specific nurses, they may not answer until their next shift.
- Any medications that are left in the Infirmary at the end of the school year must be picked up by parent/guardian on the last day. Please note that any medications not picked up will be discarded. No medications will be mailed home. There will be a \$50 fee to cover the cost of disposing these medications.

Any questions please feel free to contact us. Our information is listed below.

Sincerely,

Angie Haskins, RN

MEDICAL FAQs

Q: Can I just bring what I have and finish this during matriculation or when I arrive on campus?

A: No. The record must be complete when you arrive. We need to move each cadet through in a timely fashion. If you come without your record complete you will have to complete it in a computer lab during matriculation. This will delay you in getting through to see every department. Those who complete the record as required will go through very quickly! No more long lines to review the infirmary packet!

Q: What happens if I do not complete the record before school starts?

A: The cadet will have to sit out of sports and activities and possibly classes until it is complete. We cannot allow cadets without proper medical documents to risk injury. These documents allow us to seek medical treatment. Remember your young man is a minor. We are here to help in your absence but we must have consent to treat on record.

Q: Why is the meningitis shot required for Hargrave?

A: Most boarding school and colleges require this immunization. Because meningitis is spread rapidly in barracks it is vital for your child's protection. This is NOT a normal childhood immunization so it may need to be given before arriving at Hargrave.

Q: What happens if I say "no" to Hargrave authorization to administer the flu shot?

A: Every cadet needs to have a flu shot yearly during the flu season. The flu can spread rapidly through barracks. If your doctor has already given the shot for the current flu season you may provide documentation to us in the immunization section. If you refuse the shot altogether, then you are responsible to come get your cadet--immediately-- and care for him if he becomes ill with the flu or flu like symptoms while at Hargrave.

Q: How will the infirmary let me know when refills are needed?

A: We will notify you first via secure email. If needed, we will then use the phone numbers provided. Refills for drugs are the parent responsibility. Please mark in your calendar approximately when refills will be needed and send them on breaks or open weekends! It is always better to have too many than run out of medication.

Q: Why are the refills for ADHD drugs last minute? Do I have to have the actual prescription mailed or can I fax it?

A: As you know, most medications for ADHD are controlled, schedule II drugs. The ACTUAL prescription has to be in hand to be filled. No faxed or copied versions can be filled by law. You must coordinate the delivery of the actual prescription to Gretna Drug for packaging. You and your doctor must devise a system for this to happen quickly when it can be written. The law recently changed to allow a physician to postdate three prescriptions at a time. This means you could come to school with three written prescriptions for the next three months, allowing us to work with Gretna when we need refills. Email the infirmary your plan for filling drugs or mailing prescriptions and we will note this in SchoolDoc. If the infirmary must make frequent calls for refills that are late this may result in late charges to the parent. Our priority needs to be treating Cadets but much of our time is spent tracking me. refills!

Q: Can I use my own pharmacy instead of Gretna Drug?

A: Yes, but we prefer to use Gretna Drug for all medications as it greatly simplifies our medication processes. Also, Gretna charges an additional fee for repackaging medications brought into the pharmacy from the outside at \$5 per sheet. For example, if you send five vitamins to be taken three times a day that is 15 cards every month at \$5 each, or an additional \$75 per month.

**** Make sure you call your health insurance company and alert them of your young man's location as a boarder. You must ensure the coverage will apply in this area.**

CADET TRANSPORTATION

The following information is provided to assist parents in making transportation plans for the 2023-24 academic year. The Transportation Coordinator (Ms. Barbara Loney, 434-432-2691) will assist with arrangements for your Cadet to travel to and from airports and bus terminals. Please furnish copies of your Cadet's travel itineraries to: Hargrave Military Academy, 200 Military Drive, Chatham, VA 24531, ATTN: Transportation Coordinator or via email to loneyb@hargrave.edu.

Note: When planning your Cadet's travel itinerary, please ensure that your Cadet will not miss any academic instruction time, due to travel. HMA will not schedule transportation that will interfere with your Cadet's academic schedule. All travel itineraries must be submitted with a minimum of two-weeks advance notice.

As you will make your Cadet's travel arrangements for the three major-leave periods (Thanksgiving, Christmas, and Spring Break), please use the following as a guide:

- A. Uniform-travel policy: Hargrave Cadets are expected to wear the proper Cadet military uniform at all times when traveling to and from Hargrave's campus. The Commandant will designate the travel uniform. Parents/guardians are expected to support this policy.
- B. Dates and departure/return times: The times and dates of the breaks are listed on the travel calendar (included in this packet). Leave begins at 1230 (12:30 p.m.) on departure day; Cadets must return by 1700 (5:00 p.m.) on the return date in the proper Hargrave uniform.
- C. Airport transportation: During the three major-leave periods, Hargrave will furnish ground transportation to and from the Raleigh/Durham and Greensboro Airports only. On leave weekends, Hargrave can have your Cadet at the airport by 1700 (5:00 p.m.).

Note: Be aware that our transportation department is likely picking up multiple Cadets. Therefore, it is imperative that you notify us with any flight changes.

- D. Amtrak terminals: Hargrave will furnish ground transportation to and from the Amtrak terminal in Lynchburg, and Danville Virginia only during holiday, open, and incentive weekends. On leave weekends, Hargrave can have your Cadet at the Amtrak station by 1450 (2:50 p.m.).

Please do not return Cadets to Hargrave prior to 0900 (9:00 a.m.) on the return date. Do not return Cadets later than 1700 (5:00 p.m.) on the return date. If you will require transportation to or from an airport or bus terminal, your Cadet's round-trip flight itinerary must be furnished to the Transportation Coordinator at least seven (7) days in advance of the departure date. This must be a confirmed reservation for each trip; we will not accept standbys. An administrative fee of \$100 will be added to the ground transportation costs if itineraries are not received at least seven (7) days prior to the travel date.

- F. Open weekends and Meritorious Performers weekends: On these weekends, HMA ground transportation will service the Greensboro, North Carolina airport and the Lynchburg, Virginia Amtrak station.

- H. CIS Program: 7th – 9th graders are required to be on campus for all Saturday classes, as well as Parents’ Weekends, Alumni Weekend, and Mother’s Day weekend. All other weekends are considered “open.” During Meritorious Performers weekends and closed weekends, CIS students must attend sports before departing for the weekend.
- I. Unexcused absences: Hargrave will not furnish ground transportation to air or bus terminals for early departure excused or unexcused absences.
- J. Driving: If you will be driving your Cadet with a personal vehicle, you may check him out from the Academy after 1300 (1:00 p.m.) on departure days. If someone else will be driving your Cadet, please ensure you have provided the school written permission for your Cadet to travel with that person. Cadets are not permitted to be signed out by, or be driven by, any person under 21 years of age. Your permission may be faxed to the Military Office at 434-432-4303.
- K. College passes: HMA will provide ground transportation to the Greensboro airport and the Lynchburg Amtrak station for college passes on open or incentive weekends only.

- M. Commercial transportation services: For periods not covered by Hargrave ground transportation services, you may arrange transportation for your Cadet directly with a transportation source of your choice.

Ground Transportation Charges: Hargrave can provide transportation to and from the Lynchburg Amtrak station and the Greensboro Airport for Cadets departing after the scheduled departure time and returning prior to the scheduled return time. Cost of transportation will be billed to the Cadet’s account at the following rates:

<u>Airport/Bus Station</u>	<u>One-way Transportation Fee</u>	
	(1 Cadet)	(2 or more Cadets)
Lynchburg (Amtrak, Greyhound)	\$60	\$30
Danville	\$ 40	\$20
Greensboro, NC (airport)	\$ 100	\$50
Raleigh-Durham, NC (airport)	\$130	\$65

(Transportation fees are subject to change.)

Please note: An additional charge of \$100 will be assessed to pick up a Cadet after 2100 (9:00 p.m.) or before 0700 (7:00 a.m.). If transportation is requested after the last plane has arrived for the date, an additional \$200 will be added to the transportation cost. If the driver’s wait at the airport or bus station causes him/her to be out longer than the allotted time, you will be billed at a rate of \$12.50/hour for the increased time. If Hargrave has scheduled a pickup of more than one Cadet and the driver has to wait for the additional flights to arrive, there is no additional charge. If your Cadet’s arrival time changes and you do not notify us, you will be billed for that trip. Travel requests to destinations outside of the locations listed above require prior approval.

Private Aircraft: Parents who arrange for private aircraft to transport Cadets are requested to coordinate flight arrivals with the HMA transportation coordinator if ground transportation will be used. HMA will provide ground transportation to the Danville or Greensboro Airports during holiday leave, period travel days and open weekends only. There will be a \$200 administrative fee for ground transportation furnished outside of normal travel days and hours.

Information Technology Department

Dear Parent and/or Guardian:

This letter is to outline for you the basic principles and standards which underlie Hargrave Military Academy's Information Technology Policy, as well as relevant terms and conditions. Because access to the Hargrave's network by Cadets is a privilege, any actions that might harm the computer equipment or software, impair their effective use, or show disregard for the proper procedure set up for network access will not be tolerated. Cadets will be held accountable for violations of Hargrave network policies and misuse of equipment and systems. Privately owned machines, while attached to the network and on campus, are subject to the same policies as school-owned computer systems.

For security and network maintenance purposes, authorized individuals with Hargrave Military Academy may monitor equipment, systems, and network traffic at any time. All equipment, systems, and network traffic are subject to administrative review. There should be no expectation of privacy using the school's network or infrastructure system. Hargrave Military Academy reserves the right to audit networks and systems on a periodic basis to ensure compliance with this policy.

To help maintain a scholarly environment during all academic times, **Hargrave Military Academy requires all cadets to have a Chromebook for academic use.** Chromebook computers will be the platform for the use of GoGuardian and our academic packages. This will prevent distractions and allow safe and focused use of computers in our academic environment. A student's Chromebook may be reset by the academy to ensure proper academic use and student safety. Personal machines will also be permitted outside of academic times as a privilege.

It is imperative that the parent/guardian read the documentation found in both the Parent Handbook as well as the Cadet Handbook regarding technology at Hargrave Military Academy. The documents posted there are considered part of the enclosed Technology Agreement. Loss of or irreparable damage to a Cadet's computer device is the responsibility of the parent/guardian, not Hargrave Military Academy. We urge the purchase of accidental damage protection plans for your Cadet's computer in cases where a Cadet has access to a Hargrave Military Academy owned machine, should there be loss of or irreparable damage to the device it is the responsibility of the parents/guardians, not Hargrave Military Academy, and is subject to a property damage fee of \$200 that must be paid.

Each responsible person (as defined in the Hargrave Military Academy Enrollment Contract) acknowledges that this Technology Agreement is an Addendum to the Hargrave Military Academy Enrollment Contract then in force. All other terms and conditions remain in full force and effect.

For further information, please refer to both the Cadet Handbook as well as the Parent Handbook. All parents/guardians and Cadets are responsible for knowing this information.

Thank you for your support of our information technology policies, and we look forward to providing excellent IT services to your family while your Cadet is in attendance here at Hargrave Military Academy.

Sincerely,

Jeremiah Bunker
