WELCOME TO THE BOARD

Hargrave welcomes its latest additions to the Board of Trustees, Grant Sadler and Keith Morgan.

Dear Friends of the Academy,

I write to you filled with pride in the accomplishments of our students, faculty, and staff, and with gratitude for your unwavering support of Hargrave. The first half of 2023 has been filled with a series of memorable events.

In keeping with our long-standing tradition, the class of 2023 achieved 100% college acceptance. I am delighted to share that of our twenty-nine graduates, two will attend United States Service Academies.

In April, we hosted the Junior Retreat, a transformational event that prepared our cadets to transition into the senior class. The weekend was filled with activities focused on fellowship, leadership, and spirituality. It was an incredible opportunity for our students to build camaraderie, learn more about themselves, and prepare for the responsibilities they will shoulder in their final year at Hargrave.

Our school took a leap forward in expanding our academic offerings through a partnership with Averett University and their FAA-approved Part 141 flight school. This collaboration has allowed us to reintroduce our flight program and offer dual enrollment credits to participating students. Nathaniel Duff, a senior interested in aeronautics, was our inaugural cadet in this partnership, and he has already completed his coursework and first solo flight.

Alumni Weekend 2023 kicked off on Friday, April 21. Events included an Alumni Tournament at the Danville Golf Club, a Retreat Ceremony, barracks inspections, and the dedication of the Rick Cline Baseball Center. The weekend was filled with shared memories, reconnections, and a celebration of our school's rich history and promising future. I am thrilled to report an encouraging trend in our enrollment numbers for both our 2023 Summer Program and the Fall 2023 semester. We are already seeing a notable increase in interest and early enrollments. This trend is not only a testament to the value of the Hargrave experience, but also a reflection of the heightened demand

for the unique balance of academic rigor, character development, and leadership training our institution provides. It is a clear indication that more families are recognizing the benefits of a Hargrave education, and we are eager to welcome these new students into our community.

Your support and commitment to Hargrave have been instrumental in each of these endeavors. As we look forward to the Fall of 2023, we are excited about the opportunities that lie ahead.

Once again, thank you for your ongoing dedication to Hargrave. We are proud to count you as part of our community, and we look forward to sharing more of our accomplishments with you in the months to come.

Sincerely,

A handwritten signature in black ink, which appears to read "Eric Peterson". The signature is fluid and cursive, with a long horizontal stroke at the end.

Eric Peterson
President

**130th Annual Meeting
of
THE
HEADS AND PRINCIPALS
ASSOCIATION**

The Fabric of Democracy

Washington Duke Inn
Durham, North Carolina

Heads and Principals Association

The Heads and Principals Association, established in 1893, was created to bring together various types of secondary schools across the nation. The organization aims to unite urban, rural, and suburban schools, both public and private, that offer both day and boarding programs.

The association, formerly known as the Headmasters Association, has continued to evolve over the years to meet the changing needs of its members. Today, it remains a vital resource for school leaders, providing opportunities for professional development, networking, and advocacy.

As the only organization of its kind, The Heads and Principals Association plays a crucial role in promoting excellence in secondary education and ensuring that all students have access to high-quality educational opportunities, regardless of their background or location.

Hargrave's President, Eric Peterson, was inducted into the Heads and Principals Association in 2010 after being nominated by a former teacher and colleague at St. George's School. The Association consists of 100 active members from 28 states and Washington, DC, as well as a number of other associate members. The Annual Conference takes place the first week of February and is held at the Washington Duke Inn in Durham, North Carolina.

The theme of this year's conference was "The Fabric of Democracy," with a host of speakers ranging from a Harvard Law professor to the Director of Triangle Center on Terrorism and Homeland Security. Of the Association, Peterson stated, "It is a great opportunity for leadership development and fellowship among heads. The speakers are impactful, and the informational seminars provide a uniquely valuable professional development opportunity."

TAKE FLIGHT AT HARGRAVE

Hargrave, in partnership with Averett University and their FAA-approved Part 141 flight school, welcomed the return of its flight program. Students participating in the Hargrave-Averett Aeronautics Partnership have the opportunity to complete Private Pilot Ground School and Flight 1, earning dual enrollment credits for each course.

Hargrave cadets attend
Averett University's
Aviation Day

Cadet Nathaniel Duff prepares for his first solo flight

Hargrave Academic Dean Jim Tung, who was instrumental in developing guidelines for student participation in the program, remarked, “The relaunch of the Hargrave flight program would not have been possible without the time and energy dedicated by Hargrave trustees Thomas Nichols and Averett President Dr. Tiffany M. Franks.”

The Hargrave-Averett partnership gives students direct access to a career in aviation and allows Hargrave cadets to learn alongside Averett Aeronautics students. Averett’s program offers classes for the following certifications: Private Pilot Certificate, Commercial Pilot Certificate, Flight Instructor Certificate, Flight Instructor Instrument Certificate, and Instrument Rating Certificate. Additional Aircraft Category or Class Rating Certificates and opportunities to earn an Airline Transport Pilot (ATP) Certificate

with Reduced Aeronautical Experience are possible through Averett’s collegiate and adult learning programs.

March 17 was Averett University’s Department of Aeronautics’ annual Aviation Day. With hundreds in attendance, Dr. Franks introduced the crowd to Nathaniel Duff, the inaugural cadet in the partnership program. Duff is a senior at Hargrave with an interest in aeronautics. This fall, he completed the coursework and his first solo flight.

In keeping with an age-old tradition of the Averett Aeronautics program, Duff was presented with a special token to commemorate this

accomplishment. When Aeronautics students complete their first solo flight, the huge milestone is celebrated by having their flight instructor cut off the back of the student’s shirt to show that he or she no longer needs help. Then, the instructor decorates it and presents it to the student. Flight Instructor Ricardo Roman-Flores presented Duff with his decorated shirt.

Hargrave President Eric Peterson noted that “the past flight program is a source of pride and fond memories for former cadets, faculty, and staff of Hargrave. We are grateful to Averett for opening its facilities to our students and look forward to building the cadre of Hargrave student pilots.”

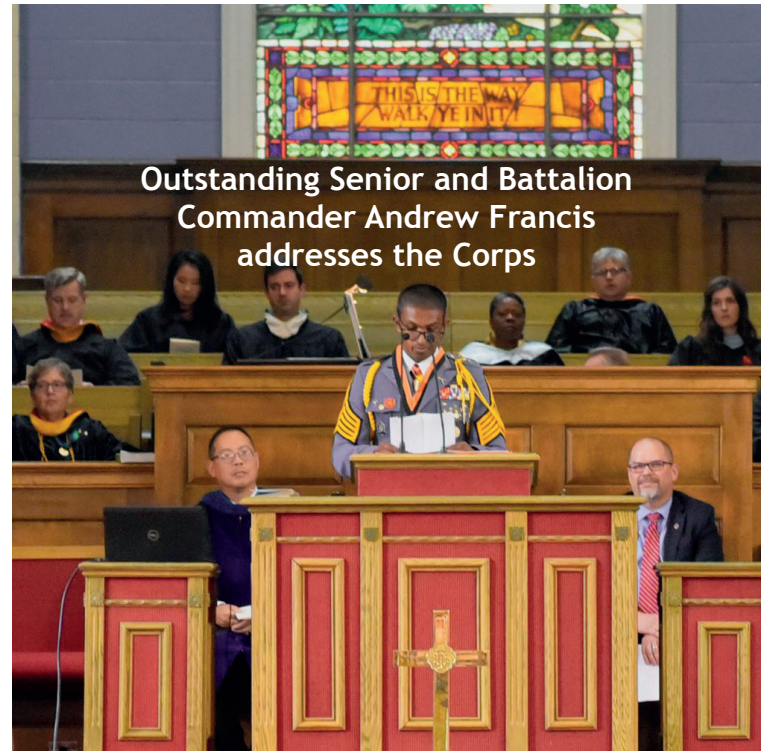

“The past flight program is a source of pride and fond memories...”
-Eric Peterson

THE FINAL CHAPTER

Hargrave's 114th Commencement took place on Friday, May 19, 2023. Keeping with the decades-old tradition, the class of 2023 received 100% college acceptance. Of the twenty-nine graduates, two will attend United States Service Academies.

RISING TO NEW HEIGHTS

Dante Kearse (Team MVP; 1st Team All-State) scores a clutch basket in a close game

The 2022-2023 Varsity Basketball season at Hargrave was one for the ages as the Tigers rose to new heights in Alan Petty's third year with the program. Despite a challenging schedule, the Tigers performed admirably, amassing a 24-7 overall record, which goes down as the second-most victories in the modern era behind the 2016-2017 team that finished with 26 wins. In addition to winning 24 games, the Tigers finished tied atop the regular season standings with Blue Ridge in the Blue Ridge Athletic Conference and ultimately finished as runners-up in the 2023 BRAC Conference Tournament.

Coach Petty's squad achieved something that has never been done in the VISAA (Virginia Independent Schools Athletic Association) era by advancing to the VISAA Division 2 State Basketball Tournament Final Four! Standout performances included Dante Kearse (Team MVP; 1st Team All-VISAA) and Timayahs Bracey (1st Team All-VISAA), as well as a balanced cast of players such as Bobby Hardison '24, Troy Giles '23, Tyson Mobley '23, and Alex Turner '24.

Previously, Hargrave had advanced to the VISAA Division 2 State Basketball Tournament Elite Eight six times, including four straight trips between 2016-2017 and 2019-2020, but failed to advance to the Final Four until this past season. The 2022-2023 campaign was such a special season for the Tigers as they earned the #2 ranking in the state polls heading into postseason play, the highest ranking the Academy has achieved in the VISAA era!

A SEASON OF ACCOLADES AND ACCOMPLISHMENTS

The Hargrave Postgraduate Basketball program wrapped up their 2022-23 campaign with a 44-2 overall record, including titles in the Fork Union Christmas Tournament, the First Piedmont Corp. Invitational, the Elite Prep League (Regular Season and Tournament) along with impressive single game victories such as the January 16th defeat of Fork Union inside historic Cameron Indoor Stadium (Duke University) and the January 17th win over the University of North Carolina's JV team inside the famous Dean E. Smith Center.

Due to the Tigers' success this season, the national media took another opportunity to laud them for their accomplishments on the court and the sideline this past season!

Next Up Recruits, who provided outstanding coverage for the 2022-23 postgraduate basketball landscape, recently announced their All-American teams as well as the National Coach of the Year.

Hargrave's storied Postgraduate Basketball program found itself squarely in the spotlight again as numerous players garnered All-American nods and Head Coach, Thomas Messinger, took home the hardware as the National Coach of the Year!

Messinger helped this already illustrious program soar to new heights in his third year at the helm. Messinger sits with a winning percentage of .934 and an overall record of 114-8 over the past three seasons.

WORKING ON THE MOVE

NATIONAL COACH OF THE YEAR DEPARTS HARGRAVE

The 2022-23 Next Up Recruits National Postgraduate Coach of the Year is heading to the collegiate ranks, as Thomas Messinger has accepted a position at the New Jersey Institute of Technology, also known as NJIT (an NCAA Division 1 program located in Newark, New Jersey) as an Assistant Men's Basketball Coach.

Messinger has served as the Head Postgraduate Basketball Coach and Basketball Program Director at Hargrave since the summer of 2020 and recently completed his outstanding tenure at the helm. Prior to Messinger's three seasons as Head Postgraduate Basketball Coach, he served as the Associate Head Postgraduate Basketball Coach under Lee Martin (2017-2020), who is currently an Assistant Men's Basketball Coach at Ohio University. Messinger also worked as an Assistant Postgraduate Basketball Coach

under the tutelage of A.W. Hamilton (2015-2017), the current Head Men's Basketball Coach at Eastern Kentucky University.

"I've been blessed to be surrounded by great players, great coaches, great mentors, and great administrators throughout my time at Hargrave. Every bit of success we have had as a program is a direct reflection of many people's hard work, both in the spotlight and behind the scenes. I will be forever grateful for the incredible support, mentorship, and friendship of Lee Martin, A.W. Hamilton, and Kevin Keatts, who laid a foundation of success that is unparalleled in the basketball world. I am also overwhelmingly thankful to the board of trustees, Ben Davenport, COL Mike Brown, Sloan Gibson, and Eric Peterson, for entrusting me with the program. I'm humbled and beyond proud to have been a part of the history at Hargrave." Messinger commented.

VESHI NAMED PG BASKETBALL HEAD COACH

Ben Veshi was officially introduced as the Head Coach of the Hargrave Postgraduate Basketball team on Wednesday, May 24th. Veshi will also assume the role of Program Director, overseeing the Varsity, Junior Varsity, and Middle School teams in addition to his duties as the Postgraduate Basketball Head Coach. Veshi takes over for Thomas Messinger, who recently accepted a position as an Assistant Men's Basketball Coach at NJIT. Veshi served as the Associate Head Postgraduate Basketball Coach during the 2022-2023 season after a two-year coaching hiatus as he transitioned into a role within Hargrave's Senior Administration. He also spent time as an Assistant Postgraduate Basketball Coach on the staffs of Lee Martin (2017-2020), the current Assistant Men's Basketball Coach at Ohio University, and A.W. Hamilton (2016-2017), who is now the Head Men's Basketball Coach at Eastern Kentucky University.

Veshi's time with the postgraduate team has been a stretch of unfathomable success. Serving under Messinger, Martin, and Hamilton, his teams have achieved an overall record

**Coach Veshi and PG
players during the 2023
First Piedmont Tournament**

of 200-16, highlighted by two Final Four appearances (2017, 2020) and an Elite Eight appearance (2019). Hargrave has reached the National Tournament every year that Veshi has served on staff. All told Veshi has helped 67 players and counting continue their careers at the Division 1 level in his five years with the program. Veshi was also part of the Hargrave team that set school records for points scored in a single game (173; 2019).

In his four seasons as Head Coach of the Varsity Basketball Team, he established a modern-era school record for wins in a season (26) and earned four straight berths to the VISAA Elite Eight en route to an overall 75-32 record (.701 winning percentage). In addition, Veshi was honored with Hargrave's O.B. Teague '42 Coach the Year Award after the 2018-2019 season. During his four years with the Varsity Basketball program, Veshi developed and coached 23 collegiate players, including eight at the Division 1 level. Veshi has also served as Director of Athletics (2020-2023), where he obtained a Master's of Sport Administration from Arkansas State University, and College Counselor (2017-2022) in addition to his roles within the basketball program.

"I am humbled and honored to be named the Head Postgraduate Basketball Coach at Hargrave. I first have to thank Mr. Eric Peterson, Mr. and Mrs. Davenport, and the Board of Trustees for giving me the opportunity to lead our program. Hargrave has been the gold standard of prep school basketball for the last 30+ years, not only because of the tremendous success achieved on the court but also

Coach Veshi served as Assistant Coach to the 2022-2023 PG Basketball team.

IN GOOD HANDS

“Hargrave is such a special place to me. There is no way I could have left unless I knew I was leaving the program in the hands of someone who loves Hargrave deeply, has an intimate understanding of the school’s culture, and will keep the program at an elite level. There is no doubt that Ben Veshi checks all those boxes and is a perfect fit to lead the next chapter of Hargrave Basketball,” commented Thomas Messinger. “The future of the program is very bright.”

-Thomas Messinger

because of the holistic development and institutional support that occurs off the court. For the last seven years, I've been fortunate to learn from and grow under fantastic coaches like A.W. Hamilton, Lee Martin, and Thomas Messinger, who excel in developing young men in all phases of their life. I am eager to build upon the success of our program, honor the legacy of great players and coaches that came before me, and continue to provide a platform for student-athletes to achieve their dreams for years to come." Veshi commented.

Before arriving at Hargrave, Veshi earned a Master's of Business Administration in Marketing from Nichols College in Dudley, Massachusetts, while serving as an Assistant Men's Basketball Coach at his alma mater, Catawba College, an NCAA Division 2 institution located in Salisbury, North Carolina, from 2014-2016. Prior to coaching at Catawba, Veshi broke into the coaching profession

as an Assistant Boys' Varsity Basketball Coach and Assistant Girls' Varsity Basketball Coach at Marianapolis Prep in Thompson, Connecticut, where Veshi attended high school. Veshi graduated from Catawba in 2013 with a Bachelor of Science in Sport Management with a minor in Business Administration and was a member of the Men's Basketball team as a walk-on under the leadership of legendary head coach Jim Baker. While at Catawba, Veshi was a member of the 2009-10 SAC Regular Season Championship Team and earned a berth in the NCAA Division 2 Men's Basketball Tournament. Prior to Catawba, Veshi, a Webster, Massachusetts native, spent four years at Marianapolis Prep under the coaching leadership of Dave and Andrew Vitale and took part in incredible levels of success, including a NEPSAC Class D Championship as a freshman and three straight NEPSAC Class B Runner Up finishes during his sophomore, junior, and senior years.

**“ I am humbled and honored to be named
the Head Postgraduate Basketball Coach ”**
- Ben Veshi

SOUZA IN THE SPOTLIGHT

“Being a Hargave cadet is very important to me, and I am honored to have the privilege to be here. The people I’ve met and the opportunities I’ve had are unlike anywhere else. I am happy to say that I have the chance to influence new cadets, build them into the best version of themselves, and better myself. While at Hargrave, I have joined many notable organizations, such as the Beta Club and Presidential Ambassadors, and served on the Honor Council. In my senior year, I hope to be Battalion Commander and a role model for all cadets.”

-Patrick Souza ‘25

Cadet First Sergeant Patrick Souza, a rising Junior, has attended Hargrave since his seventh-grade year. He is the middle of three children, including sisters Willow and Faye. He was born in Oklahoma to his parents, Pablo and Beth Souza. Before attending Hargrave, Souza went to Halifax County Middle School, a public school near his home. However, after hearing that two of his cousins were being sent to Hargrave, he decided to join them for a better education. As he began his journey at HMA, his grades improved tremendously, and he has made the honor roll numerous times.

After his cousins departed Hargrave, he decided to stay. Souza works to be the best version of himself by following

the cadet core values and practicing them daily. Because of this, 1SG Souza has received many awards and can be part of the many great organizations that Hargrave has to offer. He became a Highlander in his first year, where he learned to play the bagpipes. He has served on the Honor Council for the past three years and is also a member of the Presidential Ambassadors and the Beta Club.

He was awarded the Integrity Award and CIS Day Student of the Year in his seventh-grade year. In the eighth grade, 1SG Souza was inducted into the Honor Council and was also able to conquer Eye of the Tiger. In the ninth grade, he became a five-day boarder and was promoted to Platoon Sergeant and Pipe Sergeant for the Highlanders.

Near the end of that year, 1SG Souza was given the CIS Citizenship Award. Finally, in his tenth-grade year, he became the Delta Company First Sergeant upon completion of leadership school.

This past year, as a diving team member, he made it into the final round of the state diving competition. As a leader, he has taught his fellow cadets many things, such as marching, room organization, uniforms, and rifle drill. In addition, Souza helped lead his company to win the initial drill competition. 1SG Souza has worked hard this year to better himself and the younger cadets. He continuously strives to become the best version of himself and improve his company with the help of the TACs and his fellow Delta leadership members.

BUILDING A BROTHERHOOD

On April 28-30, Hargrave held the much-anticipated annual Junior Retreat. This year's crop of juniors were genuinely excited and eager to attend. This event aims to prepare cadets to transition into the Hargrave Senior Class, focusing on three main aspects of their growth: fellowship, leadership, and spirituality.

Throughout the retreat, cadets had the opportunity to build camaraderie with their classmates and learn more about themselves. They participated in team challenge events that allowed them to hone their leadership skills, working together to accomplish tasks and creating guidelines for the Corps of Cadets for the following year. The entire weekend was also interwoven with spiritual lessons, providing the cadets with a chance to grow personally and spiritually.

The eventful weekend began with fun individual and team-building games on Friday night, followed by a prayer breakfast on Saturday morning before heading to Camp Weaver in Greensboro, NC, for more activities. Saturday afternoon and evening were filled with group challenges, relaxation, and heartfelt letters from family and friends. The retreat concluded on Sunday with breakfast and the presentation of class rings and junior retreat ribbons. Hargrave is grateful for the trust placed in them for the development of these young men and is proud of the growth witnessed during this year's Junior Retreat.

PUTTING THEIR KNOWLEDGE TO THE TEST

2023 Virginia State Beta Convention attendees

In February, Janice McLaughlin and Betsy Kent took eight cadets to the Virginia State Beta Convention in Hampton, Virginia. Seventeen other high schools from across Virginia were in attendance, and the Hargrave Beta Club cadets made their presence known! Before the onsite event, several completed online academic tests:

Vance Hooper & Keylen Hudson - Math
Phoenix Johnson & Sonny Le - Science
Sean Rose - Social Studies - Won 3rd Place

While at the conference, Vance Hooper performed two trumpet solos and finished in 2nd place.

Vance Hooper, Sean Rose, Sonny Le, Aidan White, and Phoenix Johnson competed in a Marketing and Communications presentation. Although they didn't place, they received great scores and many tips for improvement. During one of the general sessions, a group of cadets was asked to present the colors and lead the Pledge of Allegiance on stage in front of a large crowd. Aidan White, Keylen Hudson, Sean Rose, and Phoenix Johnson performed effortlessly.

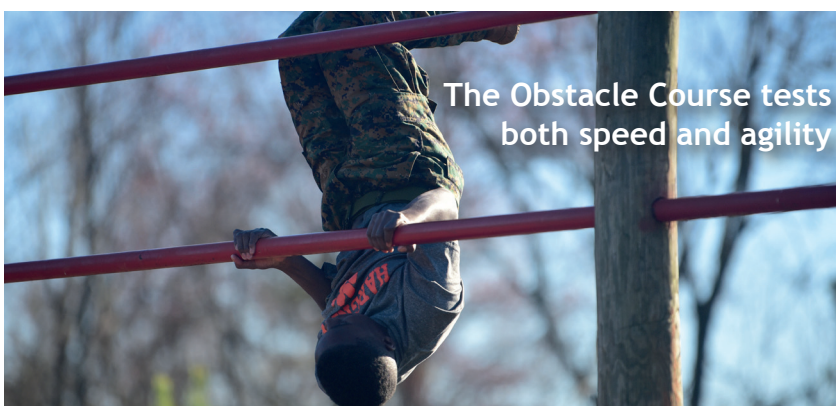

The Virginia State Beta Convention was an excellent experience for all of the cadets and gave each of them insight into how much more can be done next year. The cadets left feeling accomplished and excited for the next Convention.

CADETS CONQUER THE EYE OF THE TIGER

This year's Eye of the Tiger Challenge began on Saturday, March 4, 2023. Eye of the Tiger is a 27-hour-long challenge that consists of multiple events, including a physical fitness test, a combat fitness test, team-building exercises, an obstacle course, a 5km hike, an "escape and evade" challenge, a Keep in Memory Skills Test, and a written cadet test. At the end of the challenge, cadets who pass the minimum standards for the required number of events receive their Eye of the Tiger patch and crest.

Notably, this year, most candidates participating were younger than in previous years, and a Postgraduate elected to participate for the first time. Sixteen cadets received the "Official Tiger" title, and not a single participant chose to quit. We commend their efforts and success in the face of this grueling challenge.

TAKING BASEBALL TO THE NEXT LEVEL

*Hargrave baseball program dedicates new indoor facility
in honor of Coach Rick Cline*

Daughters of Coach Rick Cline unveiled signage for the new baseball facility

During alumni weekend, the Hargrave baseball program dedicated its new indoor baseball center in honor of Coach Rick Cline, a longtime Hargrave coach and beloved teacher. Head Coach Frank Thomas stated, "The Rick Cline Baseball Center could not have been dedicated to honor anyone other than Coach Cline. He was a passionate coach, a humble person, and loved Hargrave and its students." In attendance at the dedication ceremony were Cline's daughters, Cindy Reid '78 and Anne Marie Bergamini '80.

Coach Frank Thomas '87 speaks at the dedication

A plaque honors the donors who helped make the RCBC a reality

Thanks to many generous donors, Hargrave has been able to utilize next-level technology in the baseball center. One insightful piece of technology used is Rapsodo. Known as the “go-to training tool for the pros,” Rapsodo data and insights help players improve their swing and pitching mechanics through video feedback and analytics. Used by all 30 MLB teams and over 1,000 colleges, Rapsodo is considered the best in the game.

Hargrave forges new relationships and welcomes the local community to reach out and schedule time for their young athletes to work with our dedicated coaching staff in the new state-of-the-art facility. The Rick Cline Baseball Center is critical to the Hargrave baseball program as it will help with year-round skill development, training, and community outreach.

The new facility will support year-round training

Practicing in the indoor facility

WELCOME TO THE BOARD

Grant Sadler

Grant Sadler graduated from Hargrave in 1989. He received his B.A. in English from Flagler College in 1992, an M.A in Organizational Communication studying Kaizen at the Center for Technology Transfer at the University of Colorado in 2006, and an M.B.A from Fairleigh Dickinson University Silberman College of Business in 2009. He received additional post-graduate training from Stanford in Advanced Project Management. He currently works as the Sr. Director of Ultrasound Marketing at Bracco Diagnostics Inc.

Grant has worked intensively in all areas of marketing from upstream product development to downstream brand development using digital marketing and community building. He has experience in business development including acquiring and divesting of public and private companies as well as selling off late-stage life cycle products. He has experience conducting large-scale strategic projects including mergers and reorganizations, establishing distributor markets as well as building direct markets in domestic and foreign countries. He's well-versed in software systems required for marketing automation and sales force enablement platforms. His experience collaborating with R&D centers to leverage strategic assets for continued growth includes bringing products from ideation to creation as well as rebranding and relaunching products to fit specific market interests. Grant has extensive experience in portfolio and business management owning the P&L for commercial sales & marketing efforts. Most notably, he spent 2004 to 2018 launching products and managing brands in the United States, Europe, Asia-Pacific, and South America for Cordis, formerly a Johnson & Johnson Company, and the Getinge Group.

Rising to the occasion, he's been in a supportive role for his parents who were long-time residents of Sanibel Island devastated by Hurricane Ian. Grant resides in the Princeton, New Jersey area with his better half, Heather Fields PharmD, raising two teenage sons, Oliver and Finn Sadler.

Keith Morgan

Keith Morgan attended Hargrave from 1986-1989. He began his career as a combat engineer in the United States Marine Corps. After deploying to Desert Storm in 1990-1991 and later leaving the Marines in 1996, Keith learned that there was little opportunity in the private sector for blowing things up. He then transitioned to working in Information Technology, starting with Software Systems Group Inc, consulting for various federal agencies.

Keith then spent the next twenty years working in various information technology and information security roles with organizations in healthcare and heavy construction. More recently, Keith has worked as a contracted Senior Network Engineer for the Defense Forensics and Biometrics Agency, and as a contracted Cloud Security Specialist for Shire Pharmaceuticals. Keith is currently a Lead IT Security Architect with CNO Financial Group, Inc.

Capturing Moments

Hargrave recently teamed up with Parker Productions to document the daily happenings around Hargrave. Footage captured across the campus is already in use in various marketing materials, including the school's website and social media channels. This partnership provided a unique opportunity to showcase the school's vibrant community and highlight the achievements of its students and faculty.

PRESIDENT'S REPORT 2022-2023

The Honor Roll of Donors, which appears on the following pages, lists the names of all constituents who financially assisted Hargrave Military Academy with gifts and grants from June 1, 2022 through May 31, 2023. Every effort has been made to ensure the accuracy of this report. We apologize for errors and ask that we be notified so that we can correct our records. Our sincere appreciation is extended to our alumni, present and former trustees, faculty, staff, parents, grandparents, parents of alumni, foundations, corporations, businesses, and friends who faithfully and generously support Hargrave.
